

BOLD GOALS FOR CENTRAL ALABAMA CHARTER

Purpose

To be a catalyst with shared community ownership aligning collective actions and resources to measurably improve the health, well-being and overall vitality of the Central Alabama Region.

What it Is: The Bold Goals for Central Alabama is made up of key regional leaders from different sectors committed to accelerating and championing Common Good actions in an aligned fashion. It provides collaborative space to make a greater impact on our community by examining root causes and aligning existing agendas, mutual interests and resources as well as to surface innovations.

What it is Not: The Bold Goals for Central Alabama is not a formal, incorporated organization. It is not working to develop and implement a comprehensive regional plan.
